

DWOLLA

API Credentials Instructions

Key and Secret

Login to Your Dwolla Account

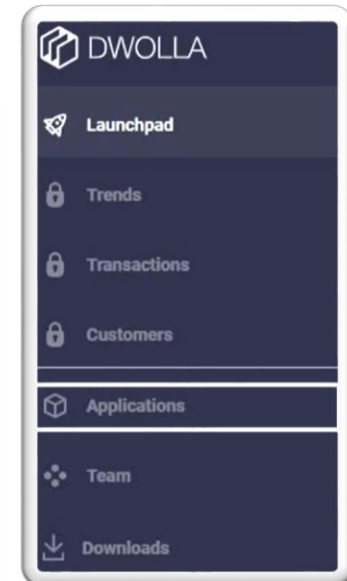

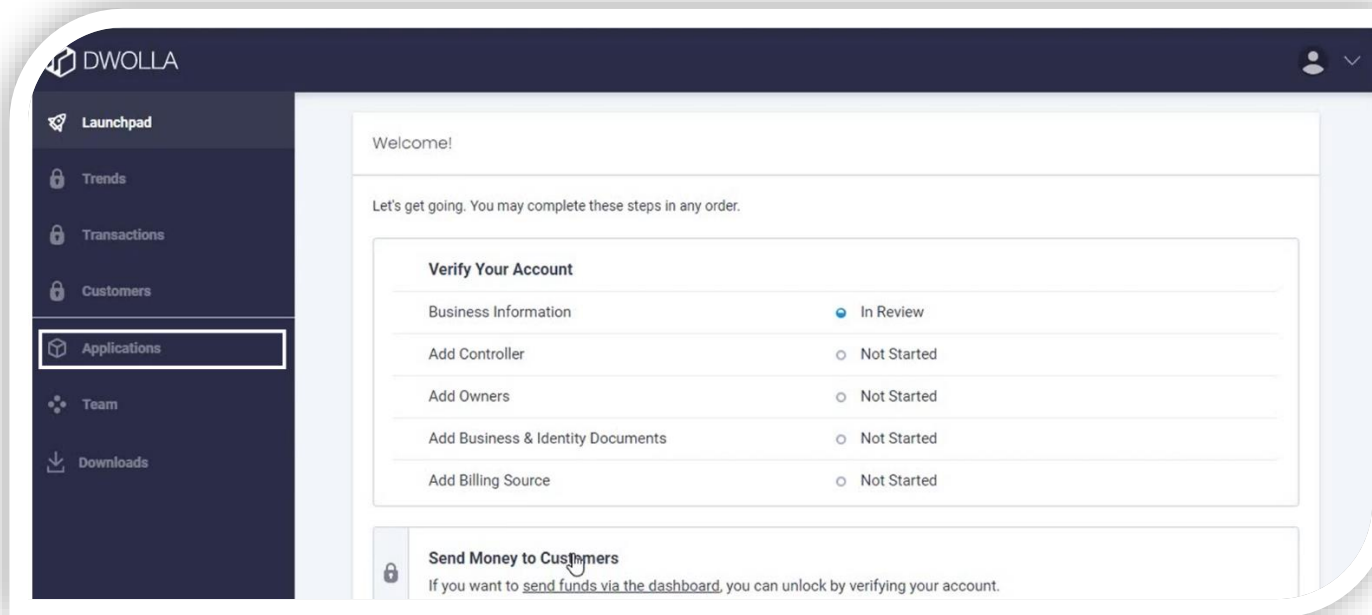

The screenshot shows the Dwolla login interface. At the top, there is a dark blue header with the Dwolla logo on the left and links for 'About Dwolla', 'API Docs', and 'Support Forum' on the right. The main content area is light blue and features a white login box in the center. Inside the box, the title 'Log In' is at the top. Below it are two input fields: 'Email address' with the value 'Demo@gmail.com' and 'Password' with masked characters '.....'. A 'Forgot password?' link is located below the password field. A dark blue 'Log in' button is positioned to the right of the password field. Below the login box, there is a link to 'Sign up to start testing in sandbox'. At the bottom of the page, there are links for 'Privacy' and 'Legal', followed by a disclaimer: 'Dwolla, Inc. is an agent of its Financial Institution Partner(s)'. The footer also includes the copyright notice '© 2010-2021 Dwolla, Inc.'.

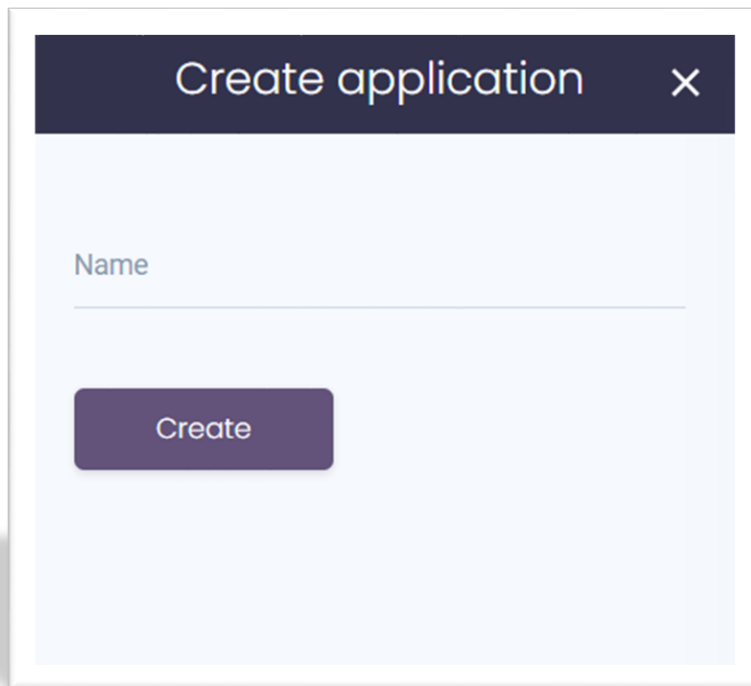

Once you setup and logged in to your Dwolla account successfully, please follow the steps below to get Key and Secret.

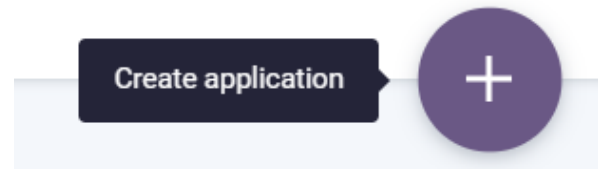

Step 1: Click “Application” in Left Side Menu.

Step 2: Click on Create Application and enter the Application Name.

A modal dialog box titled "Create application" with a close button (X) in the top right corner. Inside the dialog, there is a text input field labeled "Name" and a dark purple button labeled "Create" below it.

Step 3: As soon as the app is created, the details of the app you just created will open.

Step 4: You should now see the Key and Secret and can able to copy those.
