# PayPal API Credentials Instructions

## API Username, API Password, Signature

Login to Your PayPal  
Business Account

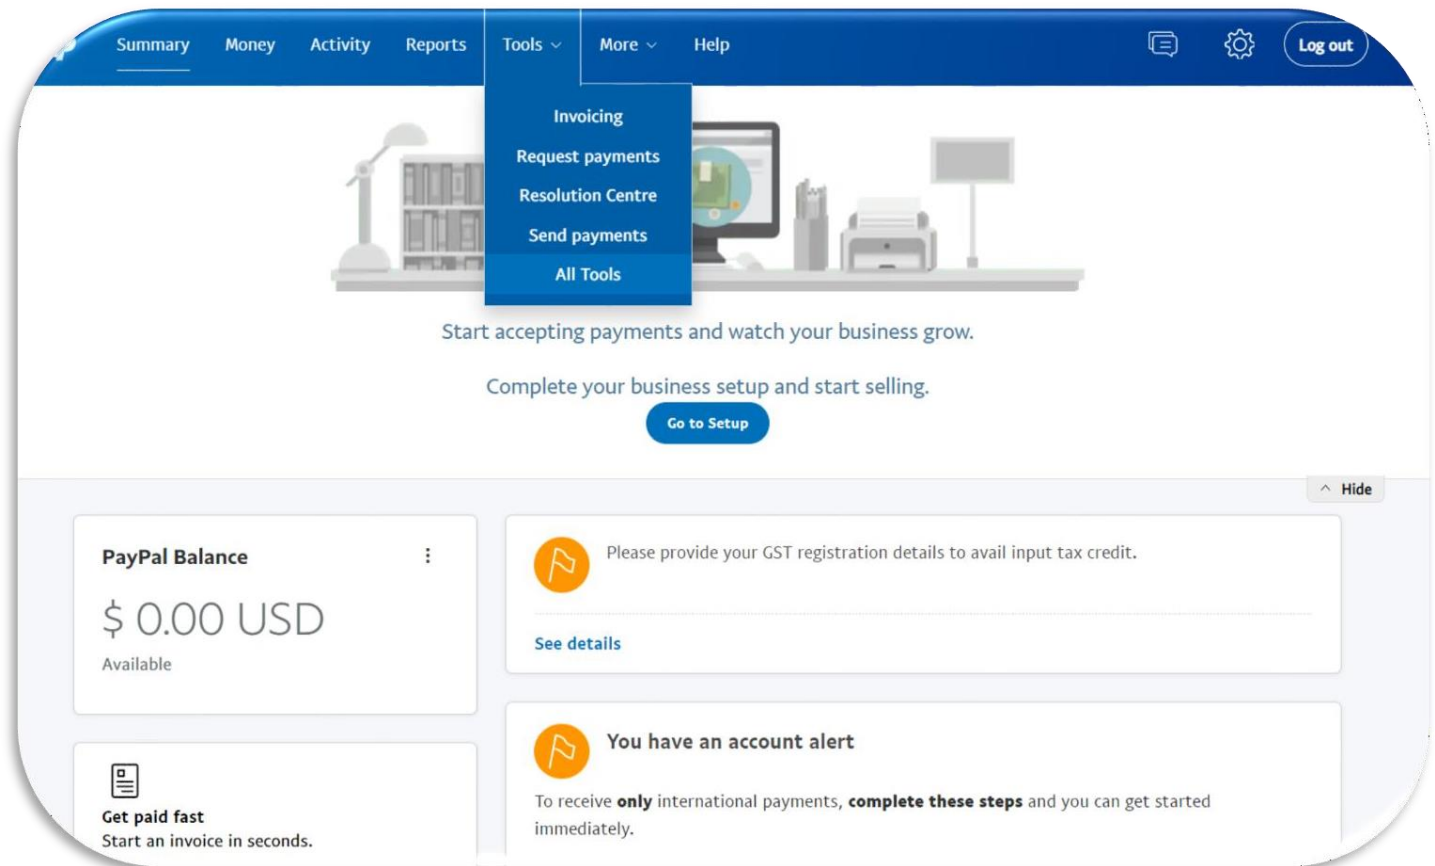

## Get API Credentials

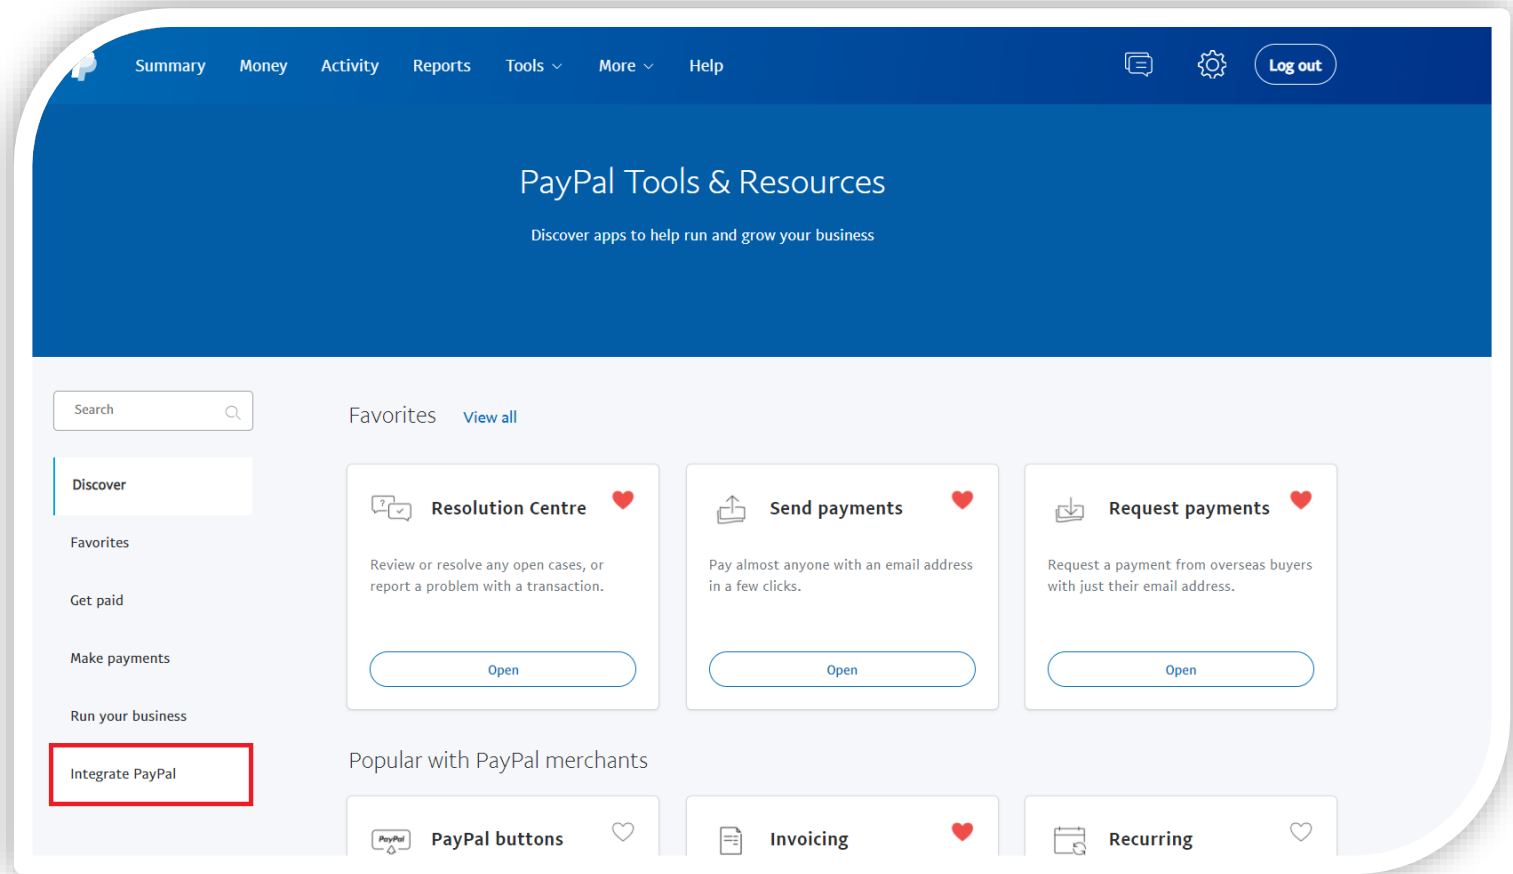

Once you set up and logged in to your PayPal account successfully, please follow the steps below to get API username, password, and signature.

### Method 1

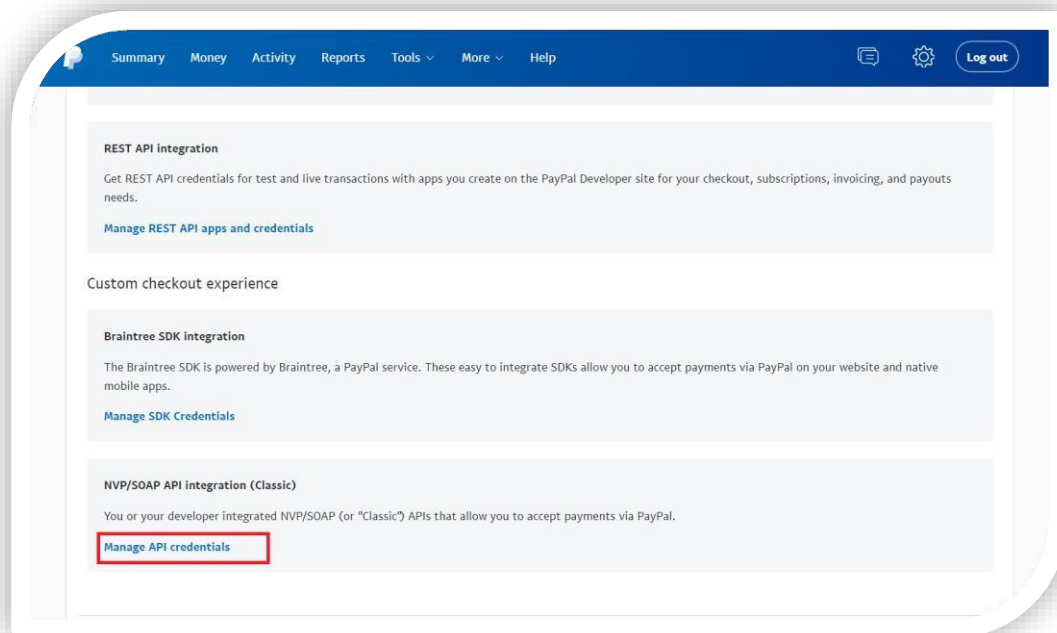

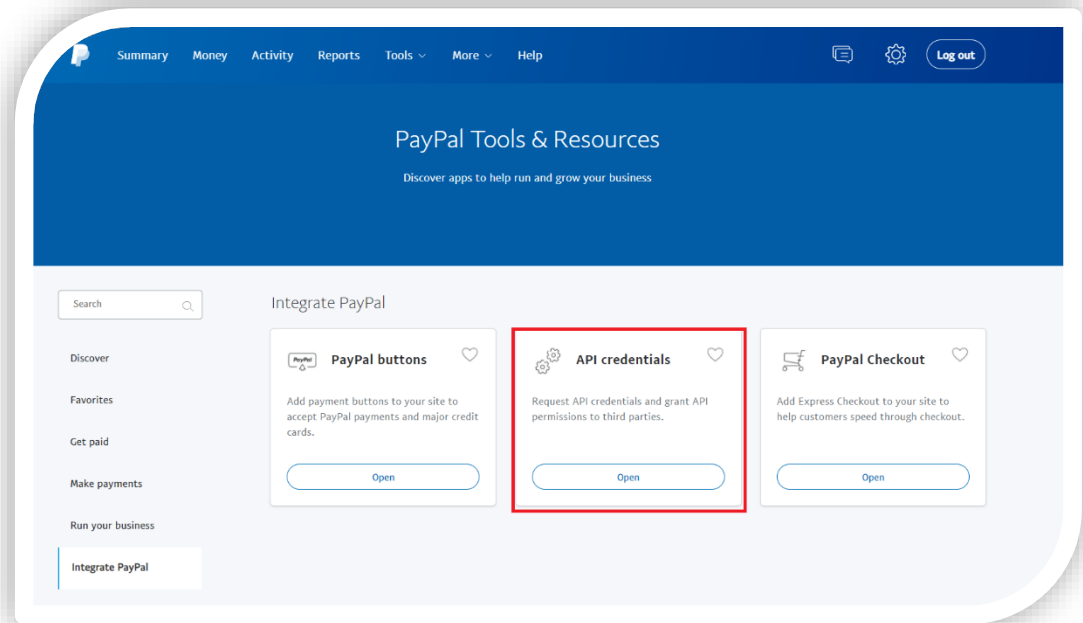

Step 1: Click **Tools>All Tools** in the top navigation bar.

Step 2: Select **Integrate PayPal** option in the left side.

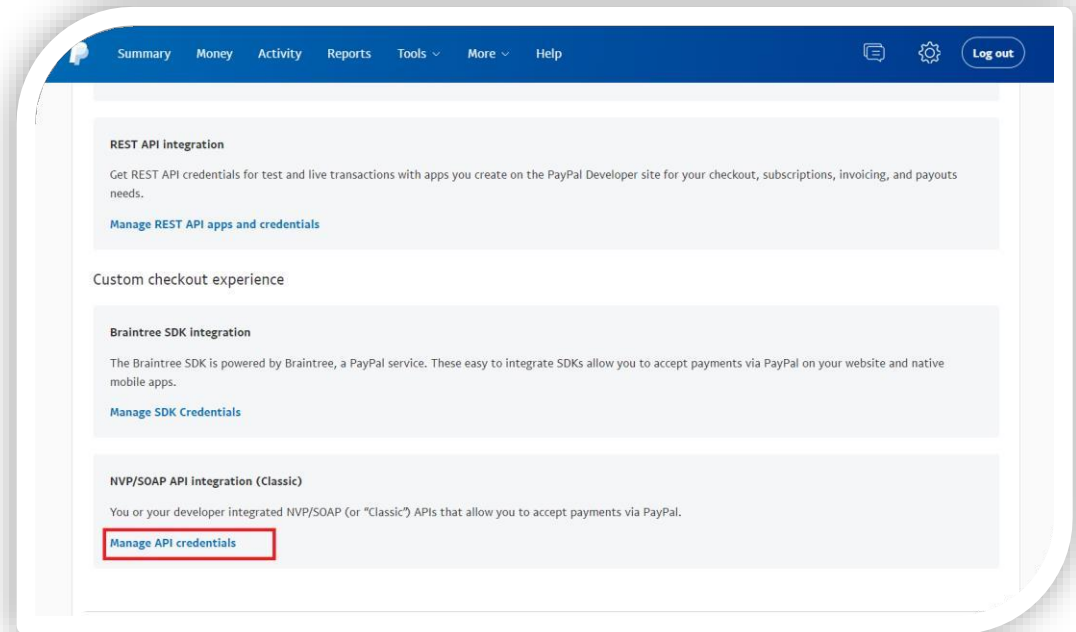

Step 3: Scroll the page to locate **API credentials box**, and then click on it.

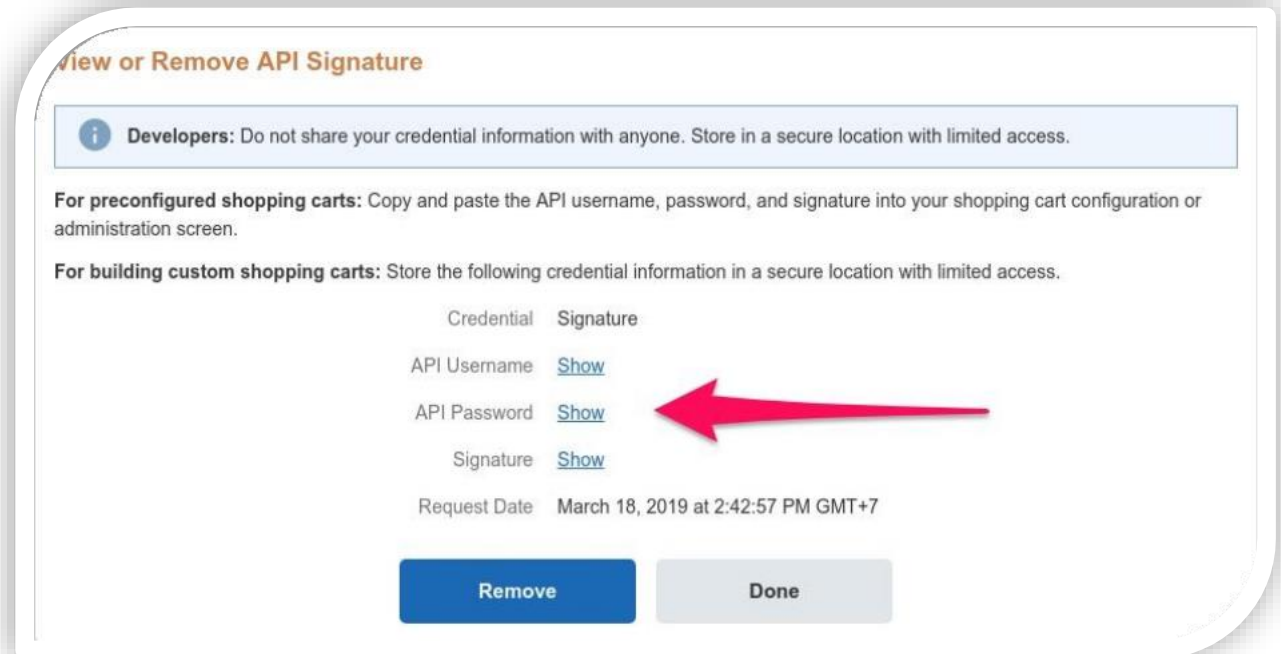

Step 4: At the bottom of “**API credentials**” page, click **Manage API credentials** under NVP/SOAP API integration (Classic) option.

Step 3: At the bottom of “Payments credentials” page, click Manage API credentials under NVP/SOAP API integration (Classic) option.

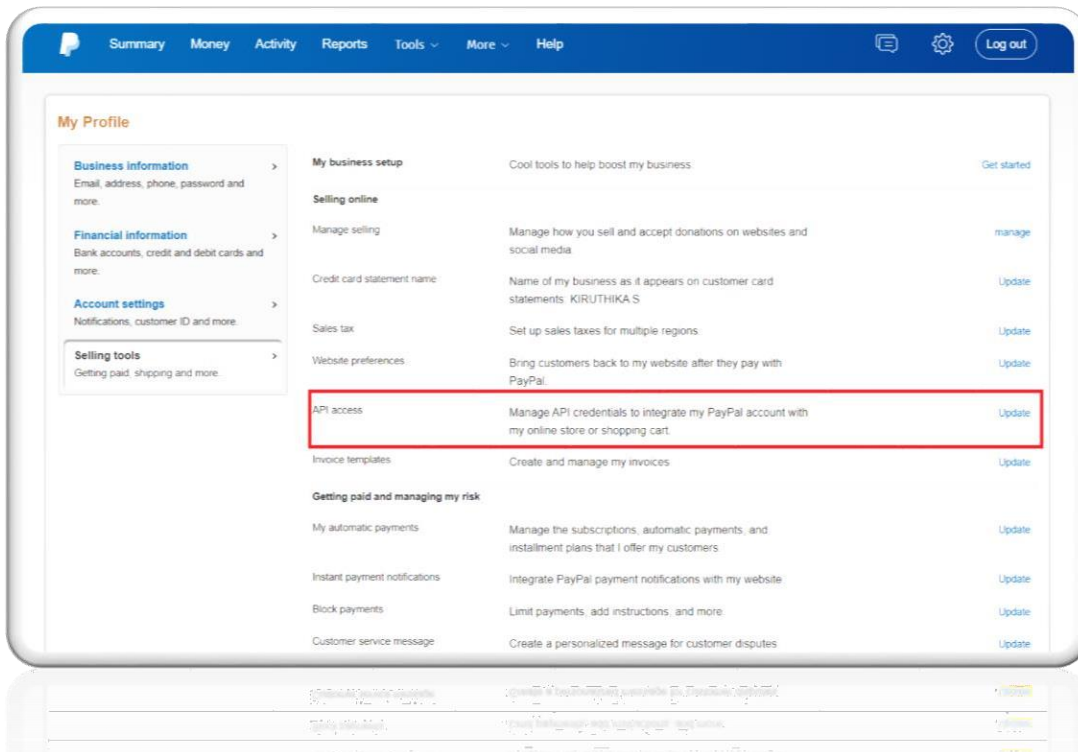

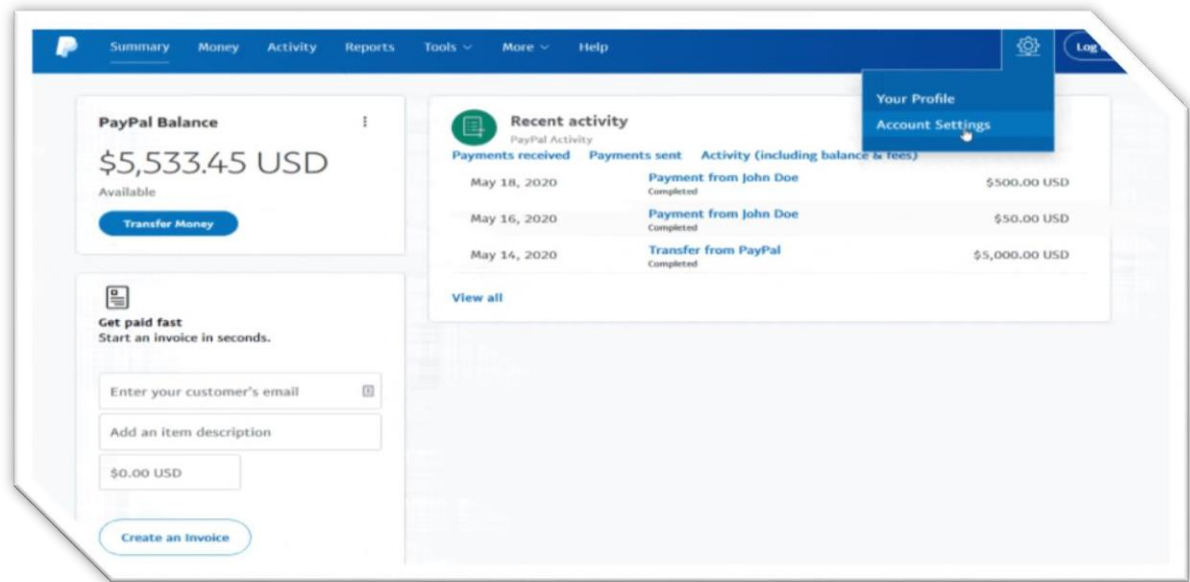

Step 4: After that, you will see “View or Remove API Signature” page as below. Simply click Show buttons for

- API username
- API Password
- signature.

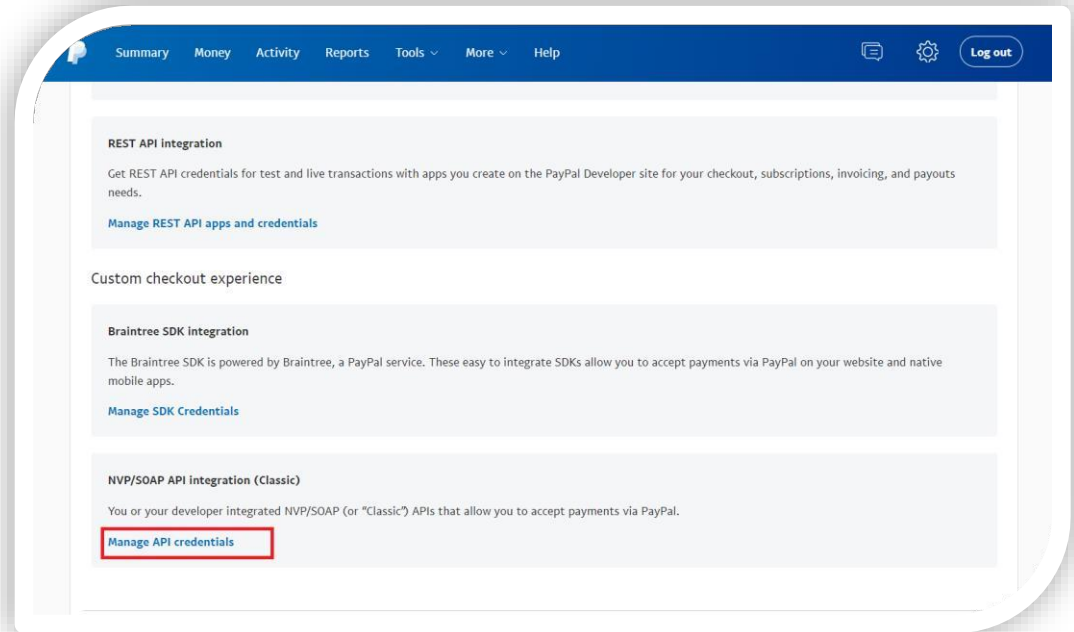

## Method 2

### Step 1: Go to Account Settings

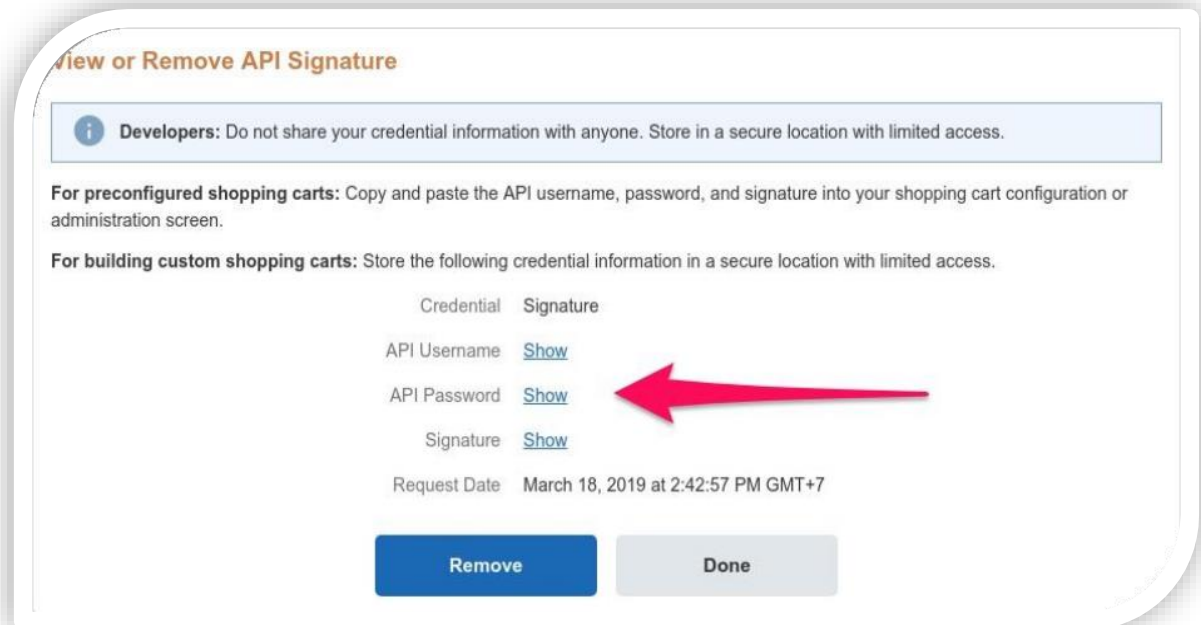

### Step 2: Select Selling Tools>>API access and Click on Update.

Step 3: At the bottom of “Payments credentials” page, click Manage API credentials under NVP/SOAP API integration (Classic) option.

Step 4: After that, you will see “View or Remove API Signature” page as below. Simply click Show buttons for

- API username
- API Password
- signature.

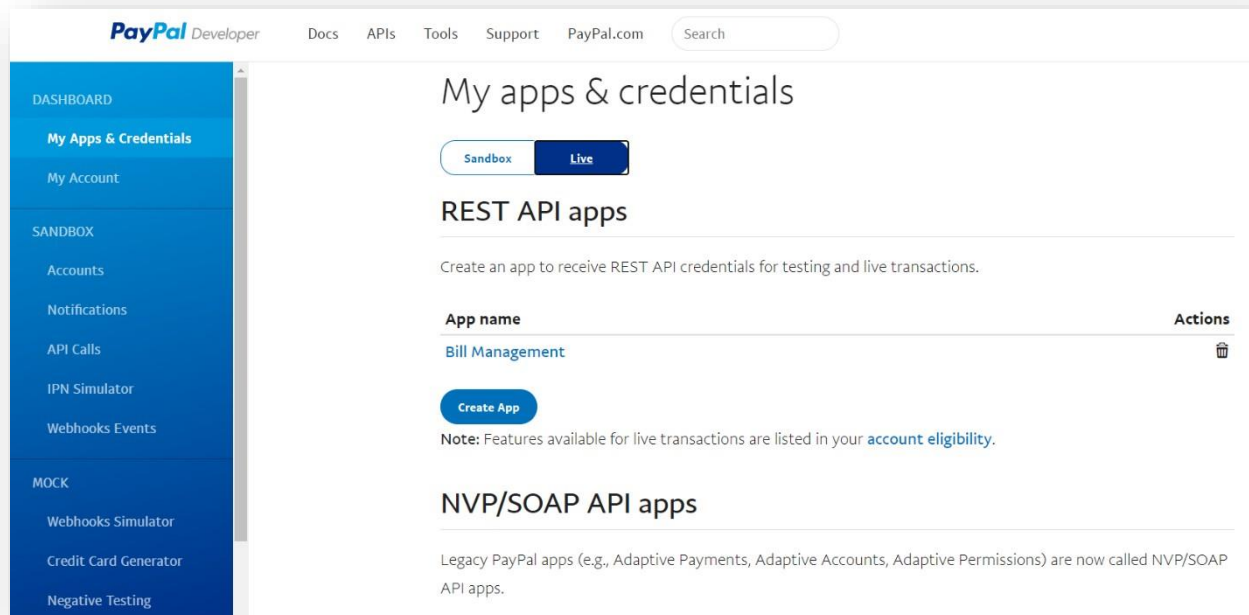

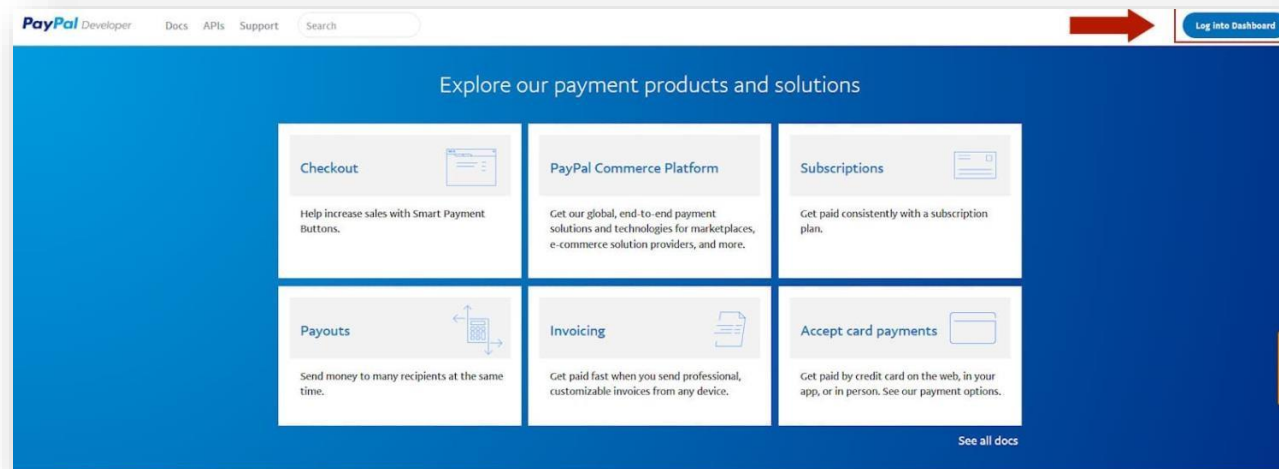

# Client ID, Secret

Step 1: Open the following website <https://developer.paypal.com> and click on "Log into Dashboard".

Step 2: click on "My Apps and Credentials" in the menu on the left and then on "Create App"

Step 3: Enter App Name and click on Create App

Step 4: As soon as the app is created, the details of the app you just created will open.

Step 5: You should now see the Client ID and an option (Show) below to see the Secret Key.

## Create New App

Before you create your new app, let us know what kind of solution you're looking for.

### Application Details

#### App Name

As a reminder, all apps created under your account should be related to your business and the type of business it conducts.

By clicking the button below, you agree to [PayPal Developer Agreement](#) (US accounts only).
